

VFIC 2020 MEDNICK MEMORIAL FELLOWSHIPS ANNOUNCEMENT

TO: Chief Academic Officers
CC: VFIC Corporate and Foundation Officers
FR: Mary-Beth Johnson
RE: Proposals for 2020 Mednick Memorial Fellowships
Deadline – February 28, 2020

The VFIC Mednick Memorial Fellowships Committee is now inviting proposals for 2020 awards. The \$2,000 fellowships are designed to encourage the professional development of college teachers and improve their academic competence through research and advanced study. The deadline for receiving proposals is February 28, 2020.

The Maurice L. Mednick Memorial was created in 1967 in honor of a young Norfolk industrialist who died from accidental causes and whose family and business associates wished to perpetuate his name by establishing a memorial that would emphasize his and the donors' strong interest in higher education. Administration of the Mednick Memorial Fund is vested in the Virginia Foundation for Independent Colleges.

The \$2,000 fellowship awards will be distributed to each college in July 2020 with an approved nomination. A committee of VFIC business trustees and college presidents oversee the selection of research proposals for funding on an annual basis. The committee encourages each of the colleges to submit a proposal. The committee will accept only one proposal from each member college.

Attached you will find information on the overall program and limitations on the use of the award, the application form in both pdf and Word form, and final report information. Once you have selected a candidate for the 2020 award, please have them submit their application materials by February 28, 2020, via email to me at johnson@vfic.org.

Should you have any questions about the Mednick program, please contact me at johnson@vfic.org or 804.288.6609.
